|----------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| \$45,000 | UW President's Graduate Scholarship (2020 – 2024)                                                                                                                                                                                                  |
| \$1,000  | UW SAS Chair's Award (2021 – 2024, × 5)                                                                                                                                                                                                            |
| \$1,000  | UW SAS Sprott Scholarship (2023) <ul style="list-style-type: none"> <li>This award recognizes PhD students in UW's SAS Department who show particular promise in research prior to their thesis defence.</li> </ul>                                |
| \$500    | UW SAS Teaching Assistant Award (2023) <ul style="list-style-type: none"> <li>This award recognizes teaching assistants whose contributions result in an improvement of the student academic experience.</li> </ul>                                |
| \$1,000  | UW SAS Comprehensive Exam Award (2022) <ul style="list-style-type: none"> <li>This award recognizes top performance on the PhD comprehensive exam in UW's SAS Department.</li> </ul>                                                               |
| \$5,000  | UW SAS Doctoral Entrance Award (2021 – 2022) <ul style="list-style-type: none"> <li>This award is for new PhD students with top academic standing.</li> </ul>                                                                                      |
| \$1,000  | UW SAS Outstanding Academic Performance Award (2021) <ul style="list-style-type: none"> <li>This award is presented to the student(s) with the highest academic performance in the first two terms of their MMath program.</li> </ul>              |
| \$5,000  | UW President's Scholarship of Distinction (2015 – 2020)                                                                                                                                                                                            |
| \$500    | UW Scott Kelsey Fevreau Memorial Award (2017) <ul style="list-style-type: none"> <li>This student award is given based on high academic achievement, extracurricular activities, and personal characteristics.</li> </ul>                          |
| \$1,500  | St. Jerome's University Robert & Margaret Forwell Scholarship (2016) <ul style="list-style-type: none"> <li>This award recognizes a student involved in the St. Jerome's community who demonstrates academic and leadership excellence.</li> </ul> |

## STUDENT SUPERVISION

### Co-Supervision

- Maryanne Cleetus (PhD in Epidemiology, UQ) 04/2026 – present
- Co-Supervisors: Bec Jenkinson, Nadine Foster

## PRESENTATIONS

### Invited Seminars and Conference Presentations

- Copula-Based Bayesian Model Averaging for Dose Selection*. AusTriM Webinar, Hosted from Melbourne (Australia), 07/2026.
- Bayesian Design with False Discovery Rates and Power*. SSC Annual Meeting, 06/2026.
- Efficient and Robust Sample Size Determination*. Spring Research Conference, Clemson (USA), 05/2026.
- Robust Sample Size Determination for Clinical Trials*. NHMRC Clinical Trial Centre, Sydney (Australia), 05/2026.
- Economical Design with Posterior Probabilities*. Queensland University of Technology, Brisbane (Australia), 11/2025.
- Group Sequential Design with Posterior and Posterior Predictive Probabilities*. AusTriM Webinar, Hosted from Melbourne (Australia), 10/2025.
- Design of Bayesian Clinical Trials with Clustered Data*. Canadian Society for Epidemiology and Biostatistics Conference, 08/2025.
- Economical Computer Experiments for Sequential Design*. Quality and Productivity Research Conference, Seattle (USA), 06/2025.
- Economical Design of Sequential Bayesian Analyses*. SSC Annual Meeting, 05/2025.
- An Economical Approach to Design Posterior Analyses*. York University, 02/2025.
- Sample Size Determination in Bayesian Clinical Trials with Clustered Data*. McGill University, 02/2025.

7. *Design of Bayesian Clinical Trials with Clustered Data and Multiple Endpoints*. Canadian Network for Bayesian Adaptive Trials Webinar, 01/2025.
6. *Design of Posterior Analyses with Sampling Distribution Segments*. Computational and Methodological (CM)Statistics, London (UK), 12/2024.
5. *Scalable Bayesian Design for Business Innovation*. HEC Montréal, 11/2024.
4. *Scalable Design with Posterior-Based Operating Characteristics*. Joint Research Conference, 06/2024.
3. *A Bayesian Approach to Experimentation*. Airbnb AirAcademy Webinar Series. Hosted from San Francisco (USA), 11/2023.
2. *Targeted Sampling for Scalable Experimental Design*. ASQ CPID Webinar. Hosted from Milwaukee (USA), 11/2023.
1. *Using a Baseline with the Probability of Agreement to Compare Distribution Characteristics*. INFORMS Conference on Quality, Statistics, and Reliability, Raleigh (USA), 06/2023.

### Contributed Presentations

18. [Upcoming] *An Economical Approach to Design with Precision Criteria*. Fall Technical Conference, Charlotte (USA), 10/2026.
17. *Economical Sample Size Calculations for Complex Designs*. Joint Statistical Meetings, Nashville (USA), 08/2025.
16. *Fast Power Curve Approximation for Posterior Analyses*. Bayesian Young Statisticians Meeting. Hosted from Durham (USA), 04/2025.
15. *Fast Design of Posterior Analyses with Operating Characteristics*. ENAR Spring Meeting, New Orleans (USA), 03/2025.
14. *A Complex Approach to Minority French Rhythm*. LACUS Conference, 07/2024.
13. *The Relationship between Articulation Rate and Utterance Length in Canadian French: Data from Reading Style*. LACUS Conference, 07/2024.
12. *Quantile Estimation for Sampling Distributions of Posterior Probabilities*. SSC Annual Meeting, 06/2024.
  - Biostatistics Section Student Presentation Award Winner
11. *Engaging Assessments with Real Data Analysis in Undergraduate Statistics Courses*. UW Teaching and Learning Conference, 05/2024.
10. *Scalable Power Curve Approximation with Targeted Hypercube Sampling*. CANSSI Showcase, 11/2023.
9. *Scalable Power Curve Approximation with Targeted Hypercube Sampling*. Waterloo Student Conference in Statistics, Actuarial Science & Finance, 10/2023.
  - Presentation Award Winner
8. *Fast Sample Size Determination for Bayesian Equivalence Tests*. Joint Statistical Meetings, 08/2023.
7. *Fast Sample Size Determination for Two-Group Equivalence Tests with Unequal Variances*. ISBIS Conference, 07/2023.
6. *Fast Sample Size Determination for Two-Group Equivalence Tests with Unequal Variances*. SSC Annual Meeting, 05/2023.
5. *Fast Sample Size Determination for Bayesian Equivalence Tests*. University of Toronto Statistics Graduate Student Research Day, 04/2023.
4. *A More Computationally Tractable Approach to Bayesian Interval-Based Sample Size Determination*. SSC Annual Meeting, 05/2022.

3. *A More Computationally Tractable Approach to Bayesian Interval-Based Sample Size Determination*. UW SAS Research Presentation Day, 03/2022.
  - Presentation Award Winner
2. *A Framework for Sample Size Determination with Comparative Probability Metrics*. SSC Annual Meeting, 06/2021.
  - Business & Industrial Statistics Section Student Presentation Award Winner
1. *A More Comprehensive Framework for Binary Response Experiments Using Comparative Probability Metrics*. Canadian Statistics Student Conference, 06/2021.

## Workshops

3. *Clinical Trial Concept Development Workshop*. University of Queensland, 02/2026.
2. *From MAMS to Bayesian Platforms: Bridging Theory and Practice*. HeRA ULTRA Showcase, 11/2025. [Google Colab](#).
1. *Sample Size Calculations for Bayesian Clinical Studies*. University of Toronto Health Data Working Group, 04/2025. [GitHub](#).

## RESEARCH EXPERIENCE

**Academic Collaborator, [Airbnb](#)** 09/2023 – present

- Navigated changing priorities to develop methods now applied at Airbnb (see *Paper #4*), leading to an invited talk for Airbnb executives and data scientists.

**Consultant, [UW Statistical Consulting & Survey Research Unit](#)** 01/2022 – 04/2023

- Guided clients on how to leverage sound statistical approaches in their analyses, with active research collaboration in enhanced service projects (see e.g., *Paper #3*).

## TEACHING EXPERIENCE

**[McGill University](#), Montréal, Canada**

Course Lecturer 08/2024 – 12/2024

- [BIOS 612](#): Advanced Generalized Linear Models with 10 graduate students. Co-instructed with Shirin Golchi.

**[University of Waterloo](#), Waterloo, Canada**

Sessional Lecturer 01/2024 – 04/2024

- [STAT 341](#): Computational Statistics & Data Analysis with 125 undergraduates. Coordinated two sections with 250 students and managed 6 teaching assistants.

TA Workshop Facilitator 01/2023 – 04/2024

- Facilitated and developed interdisciplinary teaching workshops for graduate students with UW's Centre for Teaching Excellence.

TA Coordinator 09/2023 – 12/2023

- Co-developed a practicum component of the teaching assistant development program for the SAS department and conducted teaching observations for TAs.

Teaching Assistant 01/2017 – 08/2023

- STAT 938: Statistical Consulting (Spring 2023)
- STAT 430: Experimental Design (Spring 2021)
- STAT 341: Computational Statistics & Data Analysis (Winter 2021)
- COMM 421: Financial Statement Analysis (Winter 2021)
- STAT 443: Forecasting (Fall 2020)
- MATH 137: Calculus I (Fall 2017)
- MATH 138: Calculus II (Winter 2017)

### Fellowships

- FDA-OCE-ASA [Oncology Fellowship](#) (2024 – 2025)

### Certificates

- UW Certificate in University Teaching (2022 – 2023)
- UW New Instructor Foundations Program (2023)
- UW University Mathematics Teaching Techniques (2023)
- UW Fundamentals of University Teaching (2021)

### External Roles

#### [SSC Committee on New Investigators](#)

- Chair (07/2026 – present)

#### [ASQ CPID Leadership Team](#)

- Chair (01/2026 - present)
- Chair-Elect (01/2025 - 12/2025)
- Secretary/Treasurer (01/2024 – 12/2024)
- Fall Technical Conference Publicity Chair (01/2023 – 12/2024)

#### SSC Community Connections Initiative

- Co-Organizer (12/2024 – present)

#### [ZonMw Rational Pharmacotherapy Program](#)

- Clinical Trial Reviewer (07/2026)

#### [ASA Section on Bayesian Statistical Science](#)

- Student Paper Competition Judge (12/2024, 12/2025)

#### [SSC Student and Recent Graduate Committee](#)

- Past Chair (07/2024 – 06/2025)
- Chair (07/2023 – 06/2024)
  - Led a team of 10 members to host community-building and professional events for statistics students and recent graduates in Canada.
- Member (07/2022 – 06/2023)

#### [SSC Canadian Student Statistics Conference](#)

- Judge (06/2024, 05/2026)
- Co-chair (07/2022 – 06/2023)
  - Co-supervised a committee of 15 students to organize a national conference at Carleton University with 170 participants.
- Scientific Program Co-coordinator (09/2021 – 06/2022)

### Internal Roles

#### McGill (Bio)Statistics Research and Career Day

- Judge (05/2025)

#### UW Statistical Workshops and Applications Group

- Executive Team Member (06/2022 – 08/2023)

#### UW Math Faculty Graduate Studies Committee

- Elected Graduate Student Representative (05/2021 – 08/2023)

#### UW Math Faculty-Level Student Course Perceptions Working Group

- Graduate Student Representative (03/2022 – 03/2023)

- St. Jerome’s University Student Leadership Team
- Peer Academic Leader (09/2015 – 04/2017)

**Conference Session Organizer**

- Invited Sessions
- *Bayesian Clinical Trials: Innovative Methods for Real-World Challenges*, International Biometric Conference (2026)
  - *Bridging Theory and Practice in Experimental Design*, SSC Annual Meeting (2025)
- Topic-Contributed Sessions
- *Economical Methods for Experimental Design*, Joint Statistical Meetings (2025)

**Conference Session Chair**

- Canadian Statistics Student Conference (2023), Fall Technical Conference (2026), Joint Research Conference (2024), LACUS Conference (2024), Quality and Productivity Research Conference (2025), SSC Annual Meeting (2022, 2023, 2025)

EDITORIAL  
ACTIVITIES

- Reviewer**
- *Banff International Research Station, Biometrics* (x3), *BMC Medical Research Methodology*, *Canadian Journal of Statistics* (x2), *Clinical Epidemiology*, *Computational Statistics* (x2), *Journal of Statistical Theory and Practice*, *Statistical Methods in Medical Research*, *Statistics in Medicine*, *The American Statistician* (x2), *Xenobiotica*
